Product Description

Home Decor Window Blind Blackout Remote Smart Automation Motorized Roller Blinds

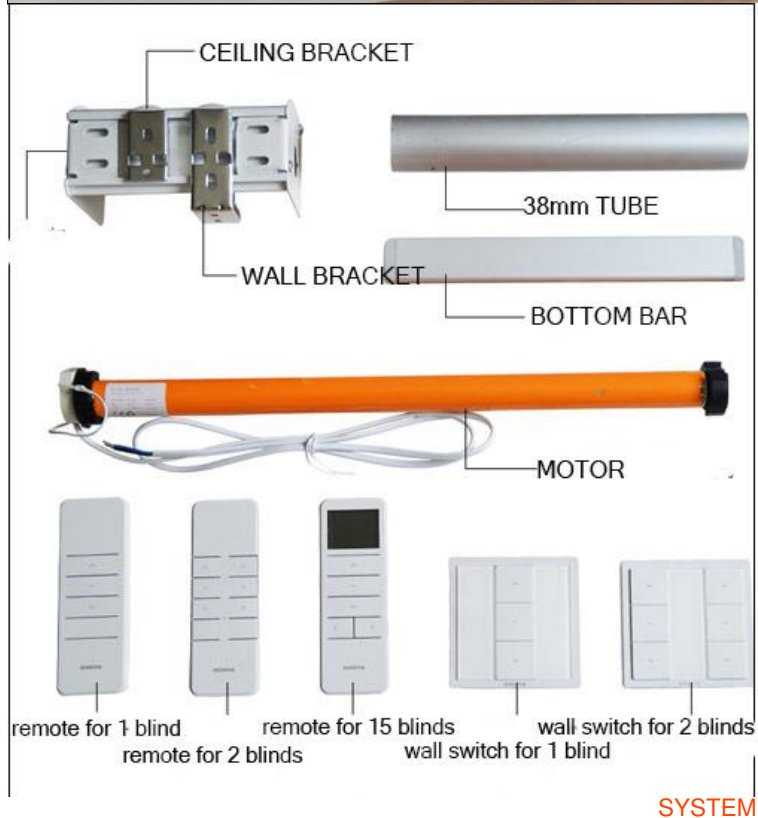

KEEWO Roller blind is a window frame fitted blind with smaller aluminium brackets. This roller blind can be fitted directly on window frames and door frames of any kind. It also comes with an optional roller holder bar for quick and easy mounting.

*Easy to install and designed in versatile light grey/off-white shade, this plain blackout/half blackout roller blind provides high levels of insulation to help reduce unwanted external noise and light, available in a choice of sizes to fit your windows.

*These blinds can be cut down to suit your requirements. Please note that blinds cannot be returned once altered.

Please note: The width measurements quoted are the fabric width, which **includes** the brackets and mechanism.
